FINDING

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

Count 2, 21 U.S.C. § 841(a)(1)(b)(1)(A)(viii): Distribution of Methamphetamine and Heroin. All remaining counts are DISMISSED by motion of the Government.

JUDGMENT
AND PROB/
COMM
ORDER

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Timothy Allan Murphy, is hereby committed on Count 2 of the Indictment to the custody of the Bureau of Prisons for a term of: **120 months**.

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The Court recommends that the Bureau of Prisons conduct a physical and mental health evaluation of the defendant and provide all necessary medication and treatment. The Court further recommends that the Bureau of Prisons evaluate the defendant for participation in the Bureau of Prisons' 500-hour Residential Drug Abuse Program (RDAP).¹

¹ The discussion of these programs is not intended to be part of the Court's decision on whether to sentence the defendant to incarceration or on the length of the term to be imposed but is merely to provide an indication of possible opportunities for rehabilitation within the prison system.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of five (5) years. This term consists of five (5) years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation & Pretrial Services Office and General Order 20-04, excluding Condition 14 in Section I of that Order.²
2. During the period of community supervision, the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall cooperate in the collection of a DNA sample from the defendant.
4. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from custody and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.
5. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using alcohol and illicit drugs, and from abusing prescription medications during the period of supervision.
6. The defendant shall refrain from the use of alcohol and shall submit to breathalyzer testing, not to exceed eight (8) tests per month, to determine if the defendant has consumed alcohol.
7. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the program by the treatment provider, with the approval of the Probation Officer.
8. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the Court-ordered treatment to the aftercare contractors during the period of community supervision. The defendant shall provide payment and proof of payment as directed by the Probation Officer. If the defendant has no ability to pay, no payment shall be required.
9. The defendant shall submit person and property to search and seizure at any time of the day or night by any law enforcement officer with or without a warrant and with or without reasonable or probable cause.
10. The defendant shall report to the United States Probation & Pretrial Services Office within 72 hours of his release from custody

² In *U.S. v. Magdirila*, No. 18-50430 (9th Cir. June 23, 2020), the Ninth Circuit held that Standard Condition 14 of General Order 20-04 is unconstitutionally vague.

USA vs. TIMOTHY ALLAN MURPHYDocket No.: SA CR 19-00024-DOC-1

11. The defendant shall report in person directly to the Court within 21 days of his release from custody, at a date and time to be set by the United States Probation Office, and thereafter report in person to the Court as directed during his first year of supervised release
12. The defendant shall not possess, have under the defendant's control, or have access to any firearm, explosive device, or other dangerous weapon, as defined by federal, state, or local law.

The Court authorizes the United States Probation & Pretrial Services Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the consent of the sentencing judge.

The Court further authorizes the United States Probation & Pretrial Services Office to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence Report) to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

Defendant advised of right to appeal.

The Court recommends a facility in Southern California due to close family ties.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
